

## Welcome to our school

*Successful lifelong learners*

*Confident Individuals*

*Active and Responsible Citizens*

## GCSE Results 2023

# GCSE Results 2023

- **Our average Progress 8 grade was 0.55**
- KS2 Sats entry for this cohort was below national average.
- 59% students achieved Grade 4 and above in English & Mathematics.
- Students at UWS made significantly more progress than others nationally in: Biology, Chemistry, Physics, Mathematics, RE and Combined Science.

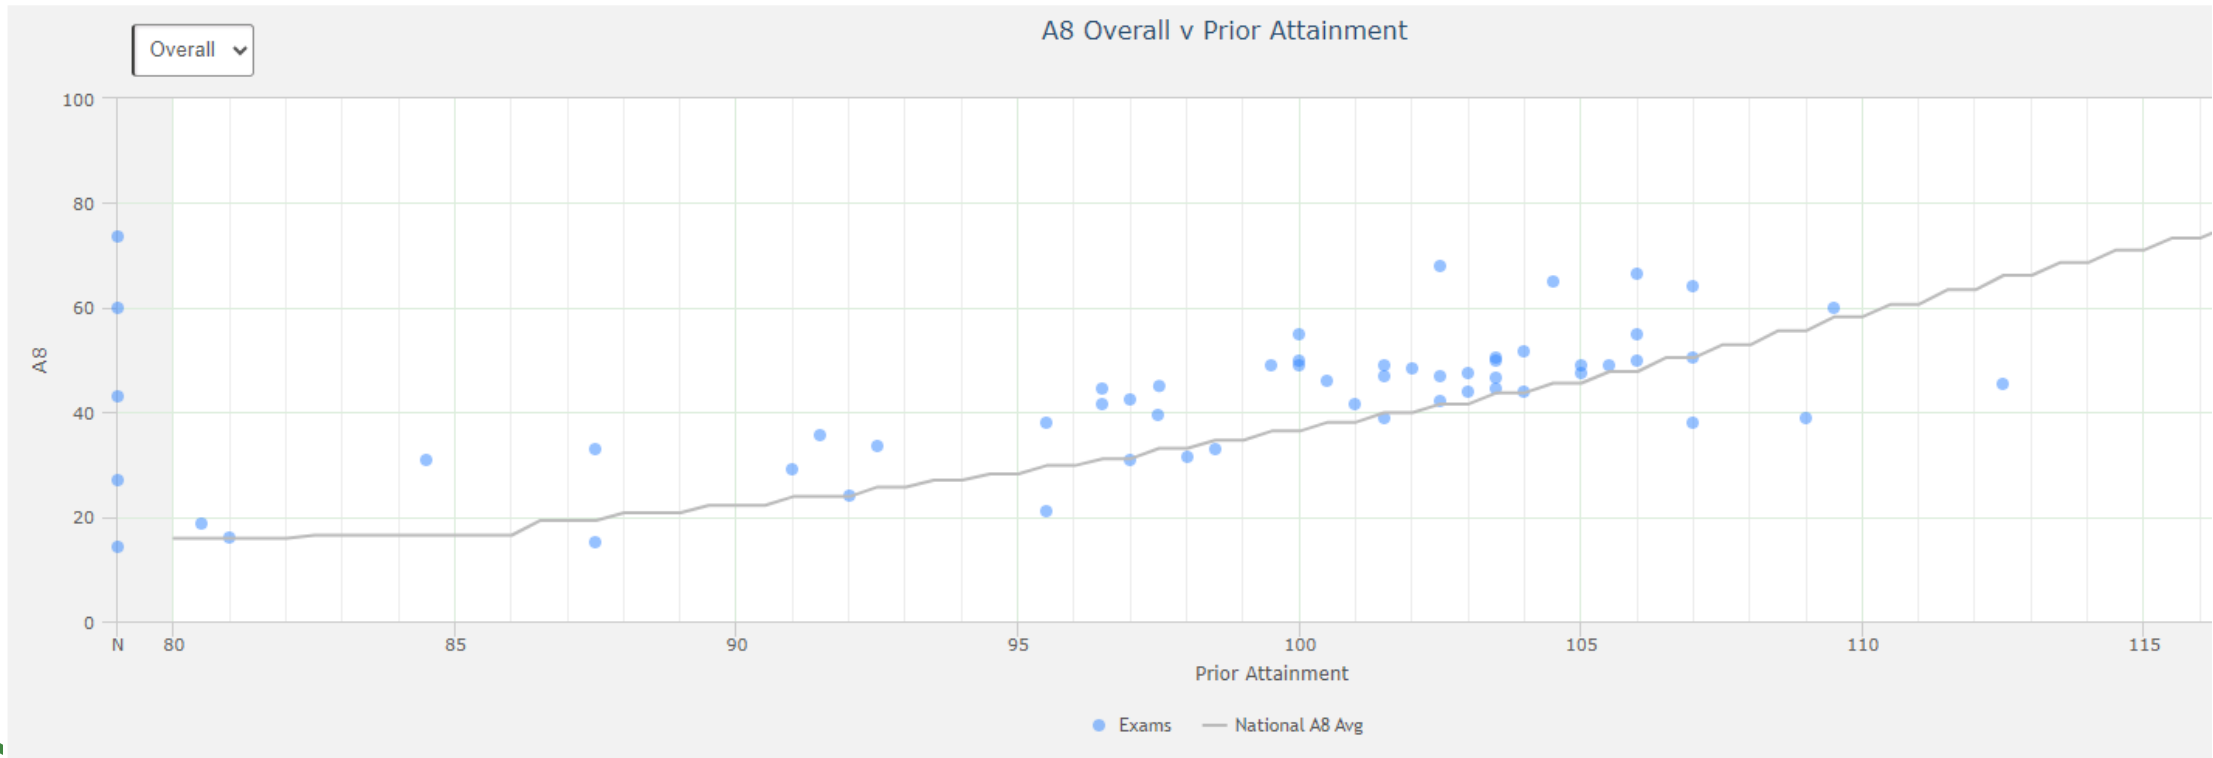

# GCSE Results 2023

- This year's results are superb and are testament to the outstanding resilience of our students, given the challenges they have faced.
- They have sustained the outstanding progress made by students at UWS in 2019 and 2022 (and during the school-assessed grades of 2020/21).
- The overall progress score put us in the top 13% nationally and the highest non-selective school in the area.
- We are delighted that as a result of this success, all of our students have been able to move onto their destination of choice.
- We are delighted that Progress in Mathematics put the school in the top 2% nationally as well as the top 13% for value added for all of the science department.
- On average, a UWS student will achieve well over half a grade higher than their targets across a range of subjects; a just reward for all of their hard work over the five years.

Students made above national average across the board on average

Attainment 8 vs Prior Attainment

*Excellence for all*

# GCSE Results 2023

As a non-selective state school in a selective area we welcome students of all abilities, interests, skills and aptitudes to our school.

We are unrelentingly ambitious for all of our students.

UWS students consistently exceed their own, very challenging targets.

They out-perform students nationally in many measures. We are extremely proud that our progress measures place us amongst the very best nationally.

We believe that by knowing our students as individuals, supporting and extending all students, having outstanding specialist staff and an inclusive, caring ethos we are able to truly deliver "excellence for all."
