YEAR 11 OUTCOMES FOR INDIVIDUAL PP STUDENTS

Student	Attainment in English (Best)	Attainment in Maths	English and Maths GCSE standard pass	English and Maths GCSE strong pass	Progress 8 score (Estimate Sept 2018)
A	5	6	Y	Y	+0.764
B	3	2	N	N	No KS2 data
C	4	4	Y	N	+0.755
D	1	U	N	N	-0.899
E	5	6	Y	Y	+1.518
F	5	2	N	N	+1.022
G	1	4	N	N	-2.336

Year 11 outcomes

Due to the small number of students eligible for FSM and the small cohort, the statistical significance of the data below must be treated with caution.

	All students	PP students	Not PP Students
Total number of students	55	6	49
% grade 5 - 9 in both English* & maths GCSEs	60 %	66.7 %	59 %
% GCSE English language at 4+	87.3 %	100 %	90.8 %
% GCSE English language at 5+	63.6 %	83.3 %	75.5 %
% GCSE maths at 4+	85.5 %	100 %	83.7 %
% GCSE maths at 5+	67.3 %	83.3 %	65.3 %
% EBacc Defined as grades 5 – 9 in both English** and maths GCSEs, and C or above in other subject areas	9 %	33.3 %	6 %
% EBacc Defined as grades 4 – 9 in both English** and maths GCSEs, and C or above in other subject areas	11 %	33.3 %	8 %

Impact of Actions

ACTION	IMPACT	TOTAL SPEND
Literacy Co-ordinator - particular focus on those entering school below level 4 in English/Maths	Significant progress made. Catch up programme saw average gains of 18 months in 9 months. Intervention groups having significant impact on attainment and progress. 7EN3 and 8EN3 saw over 85% of students making accelerated progress. No child in either group making insufficient progress. 80% making considerable or sound.	£15,800
PP students will make comparable progress as a result of extra materials inc. access to GCSE POD	Revision guides and materials provided for year 11. Progress and attainment data shows this is comparable with peers when one 'outlier' is discounted. Significant impact on outcomes seen for students who actively used and engaged with the GCSE POD programme. Mathswatch – progress of PP students was equal to that that of other students Calculators provided to all PP students	GCSE Pod - £1,373 Revision Guides – £660 Easter Revision - £2,191 Mathswatch - £450 Calculators - £60
Staff able to readily identify PP students and direct support.	All staff able to identify students easily. Seating plans highlight PP students. LSAs directed to support as appropriate.	Class charts £930.00
Additional English and Maths teaching/support at KS4	Maths mentoring for year 11 saw improvements of two grades from trial exams to summer for 3 students and 1 grade for 2 students. English literature intervention saw a 3 grade gain for one student, 2 grades for 3 and 1 for 2.	£32,000
High Expectations- differentiated outcomes with all groups catered and stretched Increased focus on students responding to specific RWCM feedback	All KS3 PP students engaged with Accelerated Reader scheme. Half of the word millionaires were PP students in 2017-18. Average ratio gain for PP students is 4 months growth in reading age for every 2 months, compared to 3 months for non PP students. PP students quizzing average is 8% higher than non PP students.	£2,580

ACTION	IMPACT	TOTAL SPEND
<p>Enrichment sessions for more able PP students in Maths and English</p> <p>Students entering with standardised score of 104+ will make progress in line with peers across subjects.</p>	<p>Improvements in attainment and progress in these groups. Maths challenge saw PP students awarded Gold, Silver and Bronze awards. PP students prepared and delivered BBC NEWS report as part of enrichment sessions. Entries into the Queens Commonwealth Essay Competition for the first time. More able reading group established to expand vocabulary – impact on “extended writing” sections of GCSE papers. Over 10 students had work published as part of young writers’ competition. Student voice said it had boosted their confidence in English.</p>	<p>£1,300</p>
<p>Additional tuition for BTEC Performance students, including transport</p>	<p>One L1 pass (target achieved) another L2 pass</p>	<p>£700</p>
<p>Duke of Edinburgh Award</p>	<p>All year 10 PP students who took part achieved bronze award</p>	<p>£1,000</p>
<p>Trips and visits</p>	<p>Students had an enriched SMSC experience. Two GCSE PE students were able to boost practical grades as a result of the opportunity to undertake different sports.</p>	<p>£1,340</p>
<p>High Expectations</p>	<p>No NEET students- All PP students have engaged with post 16 providers and have registered with a provider. IAG adviser started working with new year 11 and year 10 PP students. All interviews have gone well and there is bespoke follow up. Visits to post 16 providers took place in Autumn/Spring term. Additional One to one sessions for PP students in year 10 have also begun.</p>	<p>£2,862</p>
