

Parents' Safeguarding Bulletin

October 2018

FORTNITE

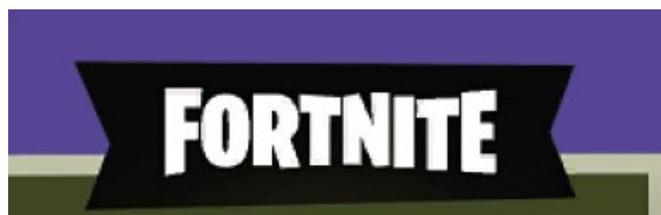

You may have come across your children talking about the game Fortnite. As with many online games, Fortnite: Battle Royale comes with risks to children and young people. The game is PEGI rated at 12+ however, there is no proof of age required, which can expose younger children to violent content as well as inappropriate comments from older users.

Please click the link below for a parental guide on Fortnite. It contains information about the games links to social media scams, micro transactions, hacker attacks, weapons and violence and talking to strangers during squad mode.

YUBO (formerly Yellow)

The National Online Safety team have created a free guide for schools to share with their communities about Yubo, the social media application which has been commonly labelled as 'tinder For teens'

The guide informs parents about the dangers associated with the platform and how they can reduce the associated risks
