SUBJECT LEADER: FOOD TECHNOLOGY

Thank you for your interest in the post of Subject Leader of Food Technology, which offers the successful candidate the opportunity to work in this “outstanding” and thriving 11-16 rural school.

We are a successful and happy school community in which the skills and potential of our students are developed, encouraging moral, social and economic awareness so that they can lead confident, healthy and responsible lives as individuals and members of society. Academic success is of course important, but we are also committed to ensuring that students develop the skills that will prepare them for life-long learning in a rapidly changing world; confident in their ability to meet any challenges ahead and enabling every student to succeed and achieve their full potential.

We are looking for a well-qualified, enthusiastic and conscientious leader of Food Technology. The successful candidate will be aspirational, showing a commitment to raising achievement through outstanding teaching and learning.

We can offer you:
